

## STAINLESS STEEL FLY CATCHER, 100 -120 M2 CI 16.3

Ref: 2.0.170.0000  
Fiamma

Structure completely in stainless steel.

Equipped with glue tape, the insect killer eliminates insects discreetly and economically.

The insect killer has a wide reach angle and is highly versatile: Choose between wall-mounted and ceiling-mounted model.

Easy maintenance: Just substitute the adhesive plate.
