

## STAINLESS STEEL FLY CATCHER, 50-60 M2 CI 6.2

Ref: 2.0.172.0000  
Fiamma

Structure completely in stainless steel.

Equipped with glue tape, the insect killer eliminates insects discreetly and economically.

The insect killer has a wide reach angle and is highly versatile: Choose between wall-mounted and ceiling-mounted model. Easy maintenance: Just substitute the adhesive plate.
