B512dn Specifications

High performance A4 mono printing for the workgroup

A super fast print speed, high monthly duty cycle and large standard paper capacity equips the B512dn to handle high volume printing with ease.

This clever printer incorporates automatic double sided printing to help save paper and will optimise its speed and power usage to the type of documents being printed, even powering off overnight.

Running costs can be reduced by the use of extra high capacity toners with ultra-reliable digital LED technology and OKI Europe's industry leading warranty guaranteeing many years of excellent service. With Gigabit networking as standard the B512dn delivers fast speed, high quality black and white printing for all in the office to share - Perfect for the workgroup.

Designed for high print volumes

Fast warm-up time, a high speed processor and large memory enables the B512dn to power through high and low volume print jobs with ease. With Gigabit Ethernet as standard and an optional Wireless interface, sharing is made easy.

- Time to first print, 4.5 seconds
- A4 print speeds of up to 45ppm
- 530 sheet paper tray and 530 sheet 2nd tray option
- 667MHz processor and 512MB RAM + 3GB eMMc memory

- PCL/PostScript emulations
- 10/100/1000 Ethernet
- Optional Wireless LAN 802.11a/b/g/n

High quality, versatile printing

The B512dn offers flexible media handling, digital LED print quality and the versatility to meet your businesses needs.

- From A6 to A4 and banners up to 1.3m long
- Print on card stock up to 163gsm
- 1200 x 1200dpi print resolution ensures pinsharp output every time
- Secure printing protects confidential documents
- Google Cloud print ready and compatible with AirPrint by Apple inc.
- Choose the toner size to suit your business needs, 3k, 7k or extra high capacity 12k toner for the lowest running costs

Reliable, ergonomic and easy to use

Simple ergonomic design makes life easy and OKI Europe's industry leading warranty provides total peace of mind.

- Compact, low profile design for ease of use
- Auto sensing 100 sheet Multi-purpose tray (MPT) for different paper types

- 2-line x 16-character LCD display for clear, real-time status
- One click driver installation
- Three year warranty on registration of your product within 30 days

Powerful features reduce costs and environmental impact

Save paper and power usage whilst reducing your running costs. There is even a noise reduction mode for quieter working environments.

- Duplex printing as standard, reducing paper usage by printing on both sides
- Eco mode improves throughput performance and reduces energy consumption
- Quiet mode reduces noise levels and energy consumption
- 1.4W Deep Sleep mode and super fast recovery time saves power without impacting performance
- 'Auto Power Off' function saves energy

 $^{\rm 1}$ Check local OKI website for latest driver releases and OS compatibility; $^{\rm 2}$ Windows only

Consumables Information: For the protection of your printer, and in order to ensure that you benefit from its full functionality, this model has been designed to operate only with genuine OKI toner cartridges. These can be identified by the OKI trademark. Any other toner cartridge may not operate at all, even if it is described as "compatible", and if it does work, your printer's performance and print quality may be degraded.

3 Year Warranty

Our devices are manufactured to the highest standards of quality and technology, which has been confirmed by independent tests. We are so convinced of the high quality of our products that we are offering you an extension of the standard warranty period to 3 years at no extra cost. Simply register your product within 30 days of purchase to be eligible for our unique all inclusive offer. For further information please visit: **WWW.OKIEUROPE.COM/WARRANTY** Without registration, the standard pan-European 1 year warranty applies.
