

Preliminary datasheet

MX-B427PW

Highly productive entry-level business printer with wireless connectivity.

- Compact A4 entry-level business printer with speeds of up to 40ppm
- Two-line display lets you configure, interact with and monitor vital system information with ease of use
- Multi-layered security features keep information safe in the document, on the device, and over the network. In addition, a range of embedded features strengthen the device
- Standard Confidential Print feature helps ensure output security via simple PIN
- Wireless connectivity as standard enables easy access from mobile devices and flexible placement of device in your workspace
- Supports AirPrint which automatically detects MFPs and printers on the same network. It then lets you print directly from a mobile device without the need for a printer driver.
- Reliable, flexible media handling supports cardstock, small media, and envelopes from the main tray or the multipurpose feeder
- Sharp's printer driver setup window features a user-friendly design
